

How to use the Parent Directory on My School Portal

(This below is shown on a desktop, it may be slightly different in layout on a mobile but the same features are there)

1 Log in to MSP (<https://pilgrimsschool.myschoolportal.co.uk>) Use *Forgot my password* if you need to reset.

2 Go to the *My Children* tab and select the *Parent Directory* from the folders.

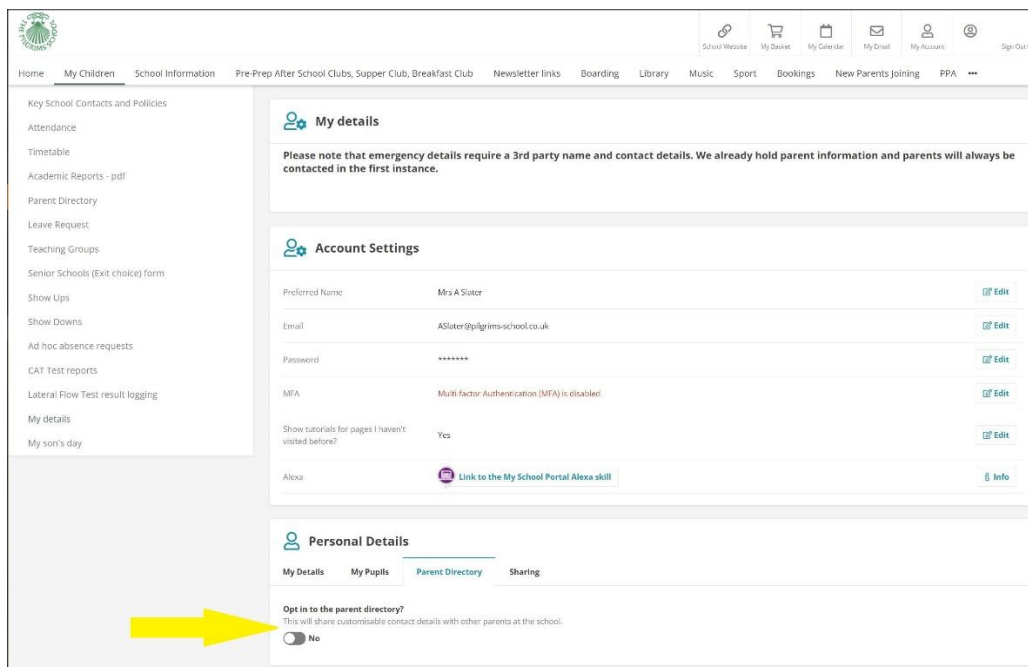

3 Regardless of whether or not you are opted in, you will see the contact details for all parents who have.

There is a tab for those in the same year as your son, and one for those in the same form.

4 To opt in: click on *Edit my Details*. Until you do this, you are automatically opted out.

5 You will see this screen and you need to click/toggle to opt in:

6 You see this screen where you are then able to choose which details are displayed to other parents.

Edit your parent directory contact details:

You may change the contact details shown in the parent directory here. However, this will not change the contact details held by the school, as those details need to be changed using the "My Details" tab.
