Parents are always welcome at concerts.

The Autumn Promenade Concert is a special highlight this term, with hundreds of individual and group performances taking place, simultaneously, in all corners of the school. The Choristers and Quiristers both have opportunities to ply their instrumental wares this term, and there are two general Instrumental Concerts, too.

Visiting Music Teachers will enter boys for concerts when they feel that they have a piece that is ready for airing – and will always apprise you in advance.

You are also warmly invited to attend services at Winchester Cathedral and Winchester College Chapel, where the Choristers and Quiristers, respectively, sing the treble line.

The **Choristers** sing Evensong at the Cathedral at 5.30pm on Mondays, Thursdays, Fridays and Saturdays. On Sundays, timings can vary. Please see the cathedral website for the current service list:

The **Quiristers** sing services at Winchester College Chapel and Chantry. Two of these are open to the public: Evensong on Tuesdays at 5.30pm and Eucharist on Thursdays at 5.30pm. If you are interested in attending any of these events, please don't hesitate to contact the Music Department for more information: [rduplessis@pilgrims-school.co.uk](mailto:rduplessis@pilgrims-school.co.uk)
