

## Required Stationery

All boys will be required to bring their own personal stationery supplies into school. Please ensure all **items are clearly named** and stored in a suitable pencil case.

In **Years 3 to 8**, this will always include:

1. **HB pencils, sharpener and rubber**
2. **30cm ruler**
3. **glue stick** (no coloured glues, please!)
4. a limited collection of **colouring pencils** (no felt pens)
5. **a personal reading book**

**Specialist Maths equipment:** boys in **Years 5 to 8** will require a **compass and a protractor**.

In **addition** to the basic stationery above, **boys in Years 6 to 8** will need:

6. **a fountain pen with blue ink** (we recommend a **Lamy** for handwriting grip)
7. **a purple pen** for self-assessing work
8. **highlighter pens**
9. **a scientific calculator** (preferably **CASIO FX-83GTX or FX-85GTX**)
10. **scissors**
11. **a dictionary** (we recommend the **Oxford School Dictionary (ISBN 978-0192747105)**). Please also note that where a boy's first language is not English, he should have a specialist English language dictionary.
