Dear parents in Years 3-6,

## **Cross-Country event at Stroud School, nr Romsey - Saturday 18 March, 0815-1130**

We have accepted an invitation to attend this event and will be selecting a team of four 'A' runners per age group to compete in the 'gold' events, as we did at the same event last term. We also have the opportunity to bring volunteering runners to compete in the 'silver' events and we're writing to extend this invitation to any boy who wishes to run. We have booked a coach in anticipation of a strong representation.

In the event we are oversubscribed, priority will go in order of seniority.

The event takes place on the same morning as the school Confirmation service so unfortunately, neither Confirmation candidates nor Chamber Choir members will be able to take part in the cross country. Conversely, those running will not be able to attend the Confirmation service.

Choristers and Quiristers may attend following choir practices, subject to independent transport.
